The Origin of Jesus
John 7:25-36

Main Idea: The people failed to discern who Jesus was and why he came because they did not understand his divine origin.

I. Jesus' divine origin (vv. 25-31)

II. Jesus' divine orientation (vv. 32-36)

Prayer

Questions for Study and Discussion

1. What are people saying about Jesus, and why are they saying it? What is Jesus saying about himself in vv. 28-29? What distinction is important to make in these verses (as well as the book of John)? Why is knowing where Jesus came from important to understanding who he is and why he came?

2. What do we learn about Jesus' divine mission in vv. 33-34? How does Jesus describe his divine authority? What is the theological reason the Jews cannot go where Jesus is going? What is the challenge and comfort of this sermon? How can you grow in your knowledge and understanding of the person of Christ?

Next Week: John 7:37-52
