Worship Service

10:10 am

We are working hard to keep everyone attending our services safe and healthy, and we encourage all who attend to practice social distancing. Regarding face masks, we do not require but do recommend that these be worn. There are masks available for any who need them in the church foyer.

- We do request that anyone who is in a high-risk category wear a mask.
- If you are feeling sick, we ask that you please stay home.
- Masks are required to be worn when in the upstairs Fireplace Room.
- The main auditorium is still available to all who wear or do not wear a face mask.
- Nursery childcare for ages 0-4 is available during the worship service.

The recorded sermon and livestream is always available on our website:
