

We are now living in unprecedented times. This trial that we all are experiencing in this world today is something none of us has gone through before. As you all know we didn't meet to worship together this past Sunday and we won't be meeting for the foreseeable future.

All Faith Bible Church meetings and events are cancelled until further notice. This includes small groups.

We trust these hard circumstances are in the providence of God. We look forward to seeing what God is going to do through all of this and we stand firm on the foundation of His Word. We are excited to see what His purpose is and what His hand is going to reveal as we move through this.

As believers in the One True God, we have a unique opportunity to display our faith and trust in Him. These are ripe times for the advancement of the Gospel. These are the times where our peace that passes understanding can be on display to show our hope in Christ. This world is not our home.

If you know of anyone who has a need, think about ways that you can serve them during this time. If you and your family have a financial need, please let others know so that they can serve you and be a blessing.

But not meeting together each week presents some real challenges for the ministries of Faith Bible Church. As you know, this church is supported by the regular giving of all you faithful members. We won't be meeting for a while and that means that we won't have that opportunity to be a part of our worship time.

We want you to know that your regular tithes and offerings are critical for us going forward to make sure we are able to support the missionaries and ministries that are still ongoing. We need you to continue to support the church that you love.

There are a couple ways you can do that.

- Online bill pay. You can have your offering deducted from your checking account, either automatically or prompted by you online. See your bank for details.

- Check. You can give by check through the mail. Our address is 5601 OakHill Road Evansville, IN 47711.

God is in this and He has a plan for His glory and we want to make sure we are a part of that.

Please plan to view our sermon Sunday mornings on our website.

Let's all stay strong in the Lord and the power of His might. Let Christ's word dwell in you richly. Rejoice always. Pray without ceasing. Give thanks for everything, including this present crisis.
