

A gloriously cheesy food that can feed many people at parties and will leave you happy after every slice.

A delicious chocolate-y beverage that likes to be paired with marshmallows or whipped cream and warms you up on a snowy day.

This comes in different shapes and colors but always has wheels and likes to help you travel on the road.

A small rectangle that you hold up to your face when you need to talk with someone.

A rectangle or circle that you keep outside in your yard that helps you bounce to new heights.

It protects your head during one of my favorite sports to watch on TV.

Although it comes in lots of patterns, it always covers your scraped knees.

You can pull one up to a table so you can eat more comfortably.

Your dentist's best friend to help your pearly whites stay clean.

What to Do:

Print on paper and cut apart, one set for each Small Group.
