Growing in God

Take some soil, fill your cup,
not quite to the top.
Pick some seeds and pop them in
with a little drop.

Sprinkle it with water—
not too much, where it's runny.
Then find a place for it to stay,
like a window that is sunny.

Think about your little seeds
under the soil they blend -
Remember Jesus died on a cross
But showed death is not the end.

Then, if the soil gets too dry,
add water so they thrive.
And as the seeds spring up with life
remember Jesus is alive!
