

Registration info for Fort Mill Kids MMO Preschool 2021-2022 School year

General information for registering:

Registration will take place via an online application. Applications will be processed in the order they are submitted using the time stamp on the form. A separate application is needed for each child you wish to enroll. Please do not submit registration payment until you have received a confirmation email from the director that your child has been placed in a class. Once you receive the confirmation email you will have 2 business days to submit the registration fee. If you do not submit the registration fee within 2 days you risk losing your spot to someone on the waitlist. The registration fee is non-refundable.

Early registration for currently enrolled families will begin January 11. Families will be emailed a link to the online application that morning. Class placement will be made on a first come, first served basis.

On February 1 the registration link will go live on our website and at that time enrollment will be on a first come, first served basis for all families, with no preference given to current/previously enrolled children.
