Welcome to Children's Day

Welcome to First Baptist Church Friendswood Children's Day. We want to thank you for choosing our program and ensure you that we will do our best to meet the needs of each and every child.

Our goal is to provide a safe and happy environment for the children left in our care. Children should be able to choose between several activities so that they can develop mentally, cognitively, physically and creatively. Our program provides many opportunities for a child to learn and practice problem-solving skills, develop physical and social skills and learn about their environment. They gain an understanding of how to get along and work with others. We acknowledge that the home is the first place of learning for the child and encourage teacher/parent interaction.

The following is general information about our program. If you have any questions please feel free to ask. Please read this handbook carefully. There is a page at the back of the booklet that is a duplicate of the form you signed during registration that is the required form for the state that covers discipline and guidance. You also signed a statement on the registration form that you received this handbook. These forms must be on file before your child is considered to be enrolled.

Children's Day meets each Tuesday, Wednesdays, and Thursday from 9:30 a.m. to 1:30 p.m., and we also offer a two-day-a-week program that meets on Tuesday and Thursday from 9:30 a.m. to 1:30 p.m.

The 2019-2020 school year begins on Tuesday, September 1, 2020 and will go through Thursday, May 20, 2021. We use Friendswood ISD's school calendar as a guide for our school calendar and to determine holidays.

Children coming into the Three-year-old and Four-year-old classes should be toilet trained. Toilet trained is defined as a child being able to tell a teacher that they need to use the toilet, and that they can use the toilet with minimal assistance from the teacher. These classrooms do not have changing tables and accidents lead to sanitation concerns.

Children's Day has classes ranging in ages from 6 months through prekindergarten. **The child must be six months old by September 1st of current school year to attend.** Classes for toddlers meet on Tuesdays and Thursdays only. A child must be two years old to attend three days a week. All other age groups have the choice between two or three days a week which are listed above. We encourage parents to prayerful consider three days a week for their prekindergartner as it prepares them for the very rigorous expectations of kindergarten. The teachers have noticed a difference in students that only attend 2 a week.

We are looking forward to a great year at Children's Day!

Schedule of Fees

Registration and Curriculum fees (one time annual, non-refundable)

Registration Fee: \$90.00

Curriculum Fees:

AGE GROUP	2 Days a week	3 Days a week
TODDLERS AND TWOS	\$75	\$85
Threes	\$80	\$90
Prekindergarten (Fours)	\$90	\$100

The year's tuition is divided into 9 monthly payments. Monthly Tuition is payable the first Tuesday or Thursday of each month.

The first monthly payment must be paid in advance before the school year starts. Deadline is July 10, 2020.

Monthly Tuition: Babies to Four-year-olds	
2 Days	\$165.00
2 days (2nd child)	\$145.00
2 days (3rd child)	\$140.00
2 days (4th child)	\$130.00
3 days	\$215.00
3 days (2nd child)	\$195.00
3 days (3rd child)	\$190.00
3 days (4th child)	\$180.00

WITHDRAWALS

If for any reason you must withdraw your child, please give **one month's notice**. In the case of emergency, please notify us as soon as possible. This courtesy enables us to fill the space or adjust the number of teachers. If your child's name remains on the roll, you will be billed by mail for the tuition for that month.

Enrollment

Enrollment for the fall semester begins in **January** for families already attending the program and church members. Open registration begins the first Tuesday in March and continues until classes are full. Parents must complete an admission information and pay the registration and curriculum fees in order to secure a spot in the CD program. Curriculum & registration fees must be paid by cash, check, or online. You may pay the monthly tuition online by credit card. Parents will be notified in writing if any policy is changed during the school year.

- **A current copy of the child's immunization record is required before school starts along with the medical form signed by the child's physician.**
- **Any child who is enrolled and is four will need a vision and hearing test which is required by the state. The physician will do this during the four-year-old check-up. Please bring us the results.**
- **Students with allergies must provide an allergy action plan from the doctor for each allergy listed.**

The director will be available before school, after school and through phone calls to assist any parent who has questions concerning the policies and procedures at CD. Parents can come and observe their child's class anytime, but they must let the director know they are in the building and sign in at the check-in desk.

Refunds

We cannot refund or credit for days missed due to illness, vacations, or inclement weather days. Tuition pays teachers salaries which is based on the number of children enrolled and not the number of children present daily. It is not possible to make up days missed as it causes overcrowding in classes. In the event of a hurricane or evacuation, we will not make up or refund tuition if days missed are within a 2 week period.

Drop-Ins

Children's Day does not accept drop-ins.

Transportation

First Baptist Church Children's Day does not provide transportation to any location or take children on field trips.

Starting Time/Dismissal/Late Pick-Up

Since Children's Day is licensed to operate between 9:30 a.m. to 1:30 p.m., we cannot care for children before or after those times. Before the school day, teachers are preparing materials and curriculum, and therefore, cannot give adequate supervision to students. The teachers will not allow a student in the classroom before 9:30 a.m. Please do not leave or drop a child off without supervision. After school, the teachers are cleaning up and leaving for the day and are not paid to stay after hours. Your cooperation in this matter will be much appreciated.

If a student is not picked up on time, they will be taken to the Preschool Director's office. The director will contact parents and/or emergency contacts to determine who will pick-up the child along with the time of pick-up. This will give us the information to give the child to alleviate the stress of not being picked up on time and to find an appropriate activity to fill the time while waiting. The late pick up fee is \$10 for the first ten minutes and an additional \$1 for each minute after the first ten. A late pick up form will be filled out, signed by the preschool director and parent (or person picking up the child), and given to the accounting department to add the fee to the student's account. A late fee may be waived in case of emergency, but not repeatedly. If there is an emergency, please contact the school as soon as possible so arrangements can be made to care for your child.

Parent Pick-Up/Security

- Parents must sign in their child each morning when they come to school. The child's name, person dropping off name, time and date must be noted and must sign the child into the class. If someone else is picking your child up please tell the teacher at that time. Parents may call the director in an emergency situation to let an adult (18 or older) pick-up their child that is on the child's authorization to pick-up list. A valid Driver's License must be shown to the teacher when the person picks up the child. **When picking child up, the person must sign name, name of child and time picked up.**
- All doors will be locked from 9:45am-1:15pm. If you must come during the day, please enter through the front entrance by ringing the doorbell.
- **Please do not leave valuables in your car during drop off and pick up.**
- As a licensed facility we are required to let parents know that under the Texas Penal Code any area within 100 feet of a childcare center is considered a **gang-free zone**.

Areas of Development

Spiritually - Each child should know that he or she is unique in God's sight and loved by God. God's love is communicated by loving, kind, caring, happy adults.

Bible Stories - These stories help to create a knowledge of God and His Word. They also assist children in becoming familiar with others who knew and served God as well as helping children know and understand right behavior. In addition to the use of Scripture and moral teaching, a resource teacher teaches a Bible Story twice a week with children from two-year-old classes through the four-year-old classes.

Art - The goal of art is to guide children in creative expression. Art will help children see beauty all around them and to experiment with various materials. "Hands-on" art is the goal of this program. The process, and not the finished product, is most important to a child.

Music - Children learn not only through singing but through rhythm, movement, and through listening. The goal of the music program is to help each child find joy and excitement through participation in music. Music will not only be in the classrooms to assist teaching, but a resource teacher teaches music classes on Tuesday and Thursday.

Nature & Science - We provide a number of experiences which will help children become aware of the world around them and how their environment affects them. This also provides an opportunity to teach about God's creation. Children two through four have discovery time each week with a trained resource teacher.

Educational Development - This area will provide activities which will help children progress at their own pace. The Four Year Old program will be coordinated by a certified teacher. A thematic approach is used but basic skills are also taught. Phonics and math skills are also taught.

Physical Movement Education - Movement means life, self-discovery, freedom, communication, pleasure, acceptance and safety to children. Our goal is to assist children in discovering the sheer joy of guided and free physical activities. Some guided activities are the balance beam, parachutes, balls, hoops and the use of scarves, balloons, and streamers in moving to music.

Other Materials Used - We make available to the children in our care: books, puzzles, play dough, Plasticine, blocks, building materials, educational games and toys, and home living areas.

Discipline & Guidance Practices and Expulsion Policy

A balance of effective guidance and discipline are part of good behavior management techniques. The following principles are followed at Children's Day along with the state discipline and guideline policy (which we have include a copy for you on the next two pages:

- Children are valued and respected as unique individuals at all times.
- Children need consistent limits fairly administered.
- Children need time and assistance in developing autonomy and self-control.
- Children's self-esteem must be nurtured and protected by caring adults.

Based on the above-stated principles, positive guidance techniques will be used at CD. When reoccurring inappropriate behavior persists, parent conferences will be held.

Biting or Excessive Physical Behavior Policy:

- 1st offense: Time out and call parent.
- 2nd offense: Time out in office and call parent.
- 3rd offense: Child taken to office and parent called to pick up child. A meeting will be scheduled to create a behavior plan with parents, teachers, and director to help the child be successful.
- 4th offense: Child taken to office, parent called for pick up, and parent meeting with teachers, director, and parents to review child's behavior plan. We will also discuss other resources available to use by CD, teachers, and parents in order to help the student be successful in meeting behavior goals.
- 5th offense: Child taken to office, parent called for pick up, and meeting with parents, teacher and director to discuss whether or not child can stay in the CD program or expulsion is in order.

It is always our goal to partner with parents to help a child be successful; however, we must provide a safe environment for your child, other children, and our teachers. If our program cannot meet your child's needs, we will work with you to get the help you need for your child.

Operational Discipline and Guidance Policy

This form provides the required information per 26 Texas Administrative Code (TAC) minimum standards §744.501(7), §746.501(a)(7), and §747.501(5).

Directions: Parents will review this policy upon enrolling their child. Employees, household members, and volunteers will review this policy at orientation. A copy of the policy is provided in the operational policies.

Discipline and Guidance Policy

Discipline must be:

- 1) Individualized and consistent for each child;
- 2) Appropriate to the child's level of understanding; and
- 3) Directed toward teaching the child acceptable behavior and self-control.

A caregiver may only use positive methods of discipline and guidance that encourage self-esteem, self-control, and self-direction, which include at least the following:

- 1) Using praise and encouragement of good behavior instead of focusing only upon unacceptable behavior;
- 2) Reminding a child of behavior expectations daily by using clear, positive statements;
- 3) Redirecting behavior using positive statements; and
- 4) Using brief supervised separation or time out from the group, when appropriate for the child's age and development, which is limited to no more than one minute per year of the child's age.

There must be no harsh, cruel, or unusual treatment of any child. The following types of discipline and guidance are prohibited:

- 1) Corporal punishment or threats of corporal punishment;
- 2) Punishment associated with food, naps, or toilet training;
- 3) Pinching, shaking, or biting a child;
- 4) Hitting a child with a hand or instrument;
- 5) Putting anything in or on a child's mouth;
- 6) Humiliating, ridiculing, rejecting, or yelling at a child;
- 7) Subjecting a child to harsh, abusive, or profane language;
- 8) Placing a child in a locked or dark room, bathroom, or closet with the door closed or open; and
- 9) Requiring a child to remain silent or inactive for inappropriately long periods of time for the child's age.

Additional Discipline and Guidance Measures (Only Applies to Before or After School Program (BAP)/School Age Program (SAP) that Operates under 26 TAC Chapter 744)

A program must take the following steps if it uses disciplinary measures for teaching a skill, talent, ability, expertise, or proficiency:

- Ensure that the measures are considered commonly accepted teaching or training techniques;
- Describe the training and disciplinary measures in writing to parents and employees and include the following information:
 - (A) The disciplinary measures that may be used, such as physical exercise or sparring used in martial arts programs;
 - (B) What behaviors would warrant the use of these measures; and
 - (C) The maximum amount of time the measures would be imposed;
- Inform parents that they have the right to ask for additional information; and
- Ensure that the disciplinary measures used are not considered abuse, neglect, or exploitation as specified in Texas Family Code §261.001 and TAC Chapter 745, Subchapter K, Division 5, of this title (relating to Abuse and Neglect).

Signature

This policy is effective on the following date.....

Signed by:

Role:

- Parent Caregiver/Employee Household Member (CH. 747 only)

This form is included in the registration packet, and you have signed it as part of the registration process. This is your copy to keep.

Teacher Training and Requirements

All workers are required to attend workshops during each twelve-month period. The teachers in the program are expected to read their curriculum guide and other books on early childhood education. Some of these are "Teaching in the Church Weekday Program", "Understanding Today's Preschooler", Theme-a-sauras I & II, and other material which will be helpful. In addition, ALL teachers and staff hold current CPR certification. The state does not require that we provide vaccination records for our teachers, therefore, we do not require them to provide these records.

Curriculum

We primarily use the WEE Learn Curriculum in all age levels. It is a play based learning program grounded in Christian principals and teachings. We supplement the curriculum from several sources including the Totline series and the Church Weekday Early Education guides. Each age group has a curriculum guide appropriate for their age. (Please feel free to ask to examine any of these manuals.) In addition, we make use of a number of supplemental materials such as "Movement Education for Young Children," "Science Experiments for the Young Child," "Handwriting without Tears," and "Frog Street Press."

Medication/Sunscreen/Insect Repellant

Please administer or apply all medicine, sunscreen, and insect repellant before the child enters the classroom. Neither teachers nor employees are allowed to give any medication or apply sunscreen and insect repellant to any child.

Illness

Precautions such as disinfecting toys, cribs, diaper changing surfaces, tables, chairs and frequent hand washing are taken at the school to protect the children against illness and infection. Even with these precautions most children will encounter infections and illnesses during the year. If a child becomes ill at school, vomiting, diarrhea or develops a fever, the parents are notified and must pick up their child within 30 minutes. Please keep all filed information current so that you can be easily reached if an illness should occur. Any child excluded from attendance will not be allowed to return to the school until they have been free of symptoms for 24 hours. In the event that the children are exposed to an infectious disease at the school, there will be prompt notification to all parents. In return, parents are to report when their child has been exposed to infection or disease outside of the school. The following are guidelines that enable the school to provide a more healthful environment for all the attending children:

Guidelines for keeping your child home:

1. Keep your child home if he/she has had a fever during the previous 24 hours.
2. Keep your child home if he/she has vomited or has had diarrhea during the past 24 hours.
3. Keep your child home if he/she has ringworm or lice. A “no nit” policy is enforced.
4. Keep your child home if he/she has a yellow-green nasal discharge and/or persistent cough unless you have a note from your doctor.
5. Keep your child home if he/she has a rash.
6. Keep your child home if he/she has symptoms of a contagious disease (headache, sore throat, reddened eyes, unusual behavior, vomiting).

Guidelines for returning your child to CD:

1. Your child can return when he/she has been FREE OF FEVER for 24 hours (without fever medications)
2. Your child can return when the cold/flu is over and only a minor clear nasal discharge remains.
3. Your child can return when the contagious period has passed or he/she has been on antibiotics for 24 hours.
4. Your child can return when he/she is able to participate in the regularly scheduled activities, including outside play.
5. A child may return to school after treatment for ringworm with a doctor’s note and the rash covered.
6. A child may return to school after treatment for lice and have no live lice or nits present on the student.

Lunch/Snacks

Each child needs a sack lunch and a drink for each session. We can not microwave or refrigerate lunches. Please do not bring carbonated drinks. In the case of Toddlers and Younger Twos, be sure they have lunches that are easy for them to handle. Toddler foods need to be cut into bite sized pieces that are easily swallowed. Grapes should be cut in half. For older children, the drink needs to be small. We will provide a morning snack of water and crackers (goldfish, Rold Gold Pretzels, and animal cookies).

There is a room available for nursing mothers in the nursery area.

*Some classroom maybe labeled “NUT FREE” (or some other food allergen) in order to protect students with life-threatening allergies. We appreciate your help and support in keeping our students safe.

Clothing

At Children's Day many of our activities can be messy. We do our best to wear smocks but sometimes accidents happen! Please dress your child in play clothes that are appropriate for our activities.

All children need to have a change of clothes. Even three and four year olds sometimes have accidents, and they feel much better if they can change into their own clothes.

Children and babies who are not potty trained need diaper wipes and **disposable** diapers or pull-ups that are labeled with their name.

Please mark all articles of clothing belonging to your child.

Potty-Training Policy

Due to hygiene and sanitary problems with potty-training, Children's Day teachers reserve the right to ask the parents to continue to bring the child in pull-ups until the child is able to verbalize with their teacher on a consistent level when they need to use the restroom. The atmosphere is different from home to school, and it might take longer to be successful at school. For this reason we ask that you discuss with your child's teachers when would be the best time for them to start coming in underwear. The parent also needs to remember to bring a change of clothes including socks and shoes.

Parental Notifications

A memo will be given to each family regarding any notifications that come about.

Parents are welcome to come and visit at any time. Please enter through the front entrance, sign-in at the front desk, and let the Director know that you are in the building. The parent is asked to stay with their child's class unless permission to observe another class or activity has been given. Each class will have sign-up sheets for class parties and activities for parents to volunteer.

*We utilize a texting program and a "closed" Facebook page to communicate with parents. Please ask in the office for directions on how to join.

Toys

We ask that children bring only lunches, diaper bags or items that can be shared with the entire group. Toys brought from home often create problems between children or get misplaced. We try to provide all the toys, books, puzzles and items your child needs for a happy day. ("Security blankets" for toddlers are accepted. Please place in diaper bag so these can be used when needed.) State licensing states that children under 12 months cannot have a blanket or "lovie" in the bed while sleeping.

The toy recall list can be found on the following website: www.cpsc.gov. Our school gets toy recall updates via email, and the director checks for recalls on a weekly basis and will post preschool related recalls.

Holidays

We follow the Friendswood ISD school calendar.

Inclement Weather and Parking

In the event the public school attendance for Friendswood ISD is canceled because of storm threat or severe weather, we will not have Children's Day. Please listen for local radio or television announcements. In extreme circumstances, the church may make it's own decision. Since, unattended cars are not allowed in the drive-thru area during severe weather, CD personnel will be at that area to assist you with unloading your child and allow you to safely park.

Fire or Natural Disaster

In case of fire or a call for evacuation, all proper authorities will be contacted. The children will exit the classroom following the directions of the posted emergency map. The children will remain in the designated safe area until the all-clear signal is received. Then the children will return to their respective classrooms. If the emergency results in closing the school, parents will be contacted by the director and/or teachers and informed where to locate their child. Practice drills are held throughout the year with a minimum of one fire drill every month and three tornado drills annually. In case of a tornado warning, children will be sheltered inside until the all-clear call is received. In the case of a chemical release, children will “shelter in place” indoors with a/c units off and doors sealed. Parents will not be able to pick up children until the all-clear signal siren. Local radio (KPRC-AM 950) and Channel 2 TV stations will make announcements in case of emergency closing.

Emergency Preparedness Plan

Evacuation:

If the building must be evacuated the teacher is to take the folder with names and phone numbers of children in her care across the street to the Family Life Center (FLC).

The caregiver will walk the children to the FLC. The address is 202 E. Heritage Dr., Friendswood, TX.

The caregiver will call parents to pick up child if it is safe for children to go home.

Alternate Shelter:

Children’s Day will relocate to the Friends Church if we have to totally evacuate all buildings. Friends Church, 502 S. Friendswood Dr., Friendswood, TX 281-482-7821.

Intruder

In case of an intruder in the building, teachers are to close and barricade doors, put children in a far corner of the room and turn out lights. They are to wait for the okay signal from the director.

Medical Emergencies

In case of a medical emergency, 911 will be called immediately and the parent will be contacted next.

Parties

We celebrate the following holidays with classroom and/or school-wide parties:

Pumpkin Parties
Valentine's Day

Fall Festival
Easter

Christmas
End-of-Year Celebration

Please talk with your child's teacher if you would like to be involved with any of these parties. Your help is always needed and greatly appreciated. There will be sign-up sheets posted outside each classroom for parents to volunteer for things needed.

Birthday Parties: If your child wants to celebrate his/her birthday party with cupcakes or cookies in the classroom, please check with your child's teacher for the best time of day to do this. Because of allergy restrictions, we must know ahead of time if you are bringing these items. If you would like to send invitations to school for a birthday party outside of school, **all-classmates must be included**. If only selective students are to be invited, the invitations must take place privately and outside of school grounds.

Water Activities

CD has one water activity on the last day of school. Children under two years of age will have small splashing wading pools with one foot of water or less. Children two years of age and older will have sprinklers and splashing wading pools with one foot of water or less.

Animals

CD will not allow animals in the buildings at any time.

New Requirements Regarding Gang-Free Zones **For Child Care Centers**

As a result of House Bill 2086 that passed during the 81st Legislature, Regular Session, Chapter 42 of the Human Resource Code includes section 42.064, effective September 1, 2009. This new statute requires that information about gang-free zones be distributed to parents and guardians of children in care at licensed child care centers. The following is a tip sheet to assist in complying with the new law. This information may be posted at your child care operation or copies may be provided to parents.

What is a gang-free zone?

A gang-free zone is a designated area around a specific location where prohibited gang related activity is subject to increased penalty under Texas law. The specific locations include day care centers. The gang-free zone is within 1000 feet of your child care center. For more information about what constitutes a gang-free zone, please consult sections 71.028 and 71.029 of the Texas Penal Code.

How do parents know where the gang-free zone ends?

The area that falls within a gang-free zone can vary depending on the type of location. The local municipal or county engineer may produce and update maps for the purposes of prosecution. Parents may contact their local municipality or court house for information about obtaining a copy of a map if they choose to do so.

What is the purpose of gang-free zones?

Similar to the motivation behind establishing drug-free zones, the purpose of gang-free zones is to deter certain types of criminal activity in areas where children gather by enforcing tougher penalties.

What does this mean for my day care center?

A child care center must inform parents or guardians of children attending the center about the new gang-free zone designation. This means parents or guardians need to be informed that certain gang-related criminal activity or engaging in organized criminal activity within 1000 feet of your center is a violation of this law and is therefore subject to increased penalty under state law.

When do I have to comply with the new requirements?

The law is already in effect, so providers should begin sharing information regarding gang-free zones immediately. Licensing staff will offer technical assistance to facilitate compliance until rules are proposed and adopted, which is estimated to occur in March 2010. In the meantime, providers should update their operational policies and procedures to include providing the information mandated by this law to the parents or guardians of the children in care.

For further information please contact your licensing representative or your local licensing office.

Nondiscriminatory Policy

First Baptist Church Friendswood Children's Day program admits students of any race, color, nationality or ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at the school.

Compliance

Children's Day is subject to and follows the Minimum Standard Rules for Licensed Child-Care Centers prescribed by the Texas Health and Human Services. A copy of these rules is located in the Director's office and can be viewed anytime online at www.hhs.texas.gov. You may also use this website to see the recent Department of Health and Human Services Inspection and/or Investigation Report and any compliance information. You may also contact the local office for any of this information.

Licensing Office: TX Dept. of Health and Human Services
