New Orleans Baptist Theological Seminary Mission Statement

The mission of New Orleans Baptist Theological Seminary is to equip leaders to fulfill the Great Commission and the Great Commandments through the local church and its ministries.

The Pastoral Ministry Certificate

The purpose of the Pastoral Ministry Certificate is to provide supplemental training for ministers in the areas in pastoral work, doctrine, biblical interpretation, and Christian education.

Purpose of the Course

The focus of this course, **Discipling Church Members**, is to familiarize students with the issues regarding discipleship as a function of the church. Methods will be surveyed, but the emphasis of the course is upon personal discipleship development.

Course Textbook

Whitney, Donald S. Spiritual Disciplines for the Christian Life (Revised and Updated). Colorado Springs, Colorado: NavPress, 2014.

Attendance

Because of the intense schedule of these certificate courses, the student should strive to be at every class meeting. Any more than two absences will result in the student being dropped from the course.

Student Objectives

At the end of the semester, the student will be able to:

1. Comprehend the biblical basis for discipleship and the call of God for every Christian to be a disciple.
2. Understand the classical Christian disciplines.
3. Practice these disciplines in his/her personal life for the purpose of spiritual growth.
4. Discern the necessity and biblical mandate for discipleship in the local church.
5. Engage in the practice of making disciples of Jesus Christ.

Course Requirements

1. Students will need to bring a copy of the Bible to class.
2. Students will be required to keep a personal, spiritual journal. The journal is to be kept for five days each week for the full length of the course. Included in the journal should be reflections from quiet times, one's personal Bible study plan, reflections on the disciplines studied in class. The student will also develop spiritual goals for the remainder of the year, and these goals will be entered into the journal. **The journal will be checked for a completion grade during the final exam** (a penalty will be assessed if the journal is not turned in during the exam). Each journal entry should be a minimum of 100 words.
3. Students will be required to read the textbook, Spiritual Disciplines for the Christian Life by Donald Whitney. Material from the reading will appear on quizzes and tests.
4. Students will be required to submit five spiritual goals for the remainder of 2020. These goals should be recorded in their journal and the students will be asked to state their goals on the final exam.
5. There will be two exams: a Mid-Course Exam and a Final Exam.
6. For the Final Exam, the student will be asked to write from memory 2 Peter 1:3-10. (Acceptable translations are CSB, KJV, ESV, NIV or NASB)
