

PRESCHOOL AND CHILDREN'S CHECK-IN PROCESS:

CDC guidelines will be followed. Please watch this [video](#) to find out how check-in works.

- **Arrival** - temperatures of both parent/guardian and children will be taken upon arrival.
- **Name Tags** - name tags and pick-up tags will be pre-printed and ready for you to pick up.
- **Dropoff/Pickup** - only one parent/guardian will be permitted to enter the preschool area. The same parent/guardian should pick up at the end of worship.
- **Belongings** - place all belongings in a labeled, gallon size, ziplock bag. Place an extra change of clothes in a second labeled, gallon size, ziplock bag.
- **Workers** - all scheduled workers will be wearing masks. Workers will also have temperature checks and will follow all cleaning and childcare protocols put in place.
- **Questions?** Please contact Bonnie McCall at bonnie.mccall@fbcgrapevine.com.
