@waterfrontdc,

Pray that the people in our city will continue to receive the gospel message and embrace a life of discipleship. For the past six years, Waterfront Church has been reaching the people of Washington, D.C., in a location less than a mile from the Capitol Building. **Pray: 03/28/2021 to 04/03/2021**

Collegiate Church Planting

“Millions of students populate the campuses of colleges and universities across North America every year.

Ask God to raise up pastors and leaders who will plant churches on, or near, every university or college campus in North America. Pray for a generation of college students who choose majors and vocations that will enable them to help plant churches in North America. Pray that every college student involved in a Southern Baptist church of collegiate ministry can lead at least one person to Christ before he or she graduates from college.”
