A Tribute to our Faithful, Sweet Treasurer, Katy Cardoza

Katy Hoag Cardoza, Katy Hoag was her name when she joined FBCN, and it wasn't too long after that she was married to Corey and became Katy Cardoza – which honestly took me forever to get used to her new last name. We tried to remember exactly when she became Treasurer, but she's served at least 13 years, WOW! What a beautiful testimony to her Christian service.

I did a little research on the meaning of her name and all of them said the name means 'pure' or 'innocence'. She has fully demonstrated these attributes throughout her time here and more. She is a woman of grace and beauty, inside and out, and she and her family will be greatly missed.

We've been through the birth of her children and the difficulties and pure blessings therein. I'm sure we all remember the birth of Carson and Sara, and we've watched them grow into such wonderful children. They're polite, sweet, and just a joy to us all.

We witnessed her amazingly courageous battle with breast cancer; through her surgeries, chemo treatments, radiation, and her ultimate remission. Katy never missed a beat. She has, and will continue for a little while more, faithfully fulfilled her ministry despite her trials. Katy has transformed herself into a much more healthy and happy Christian woman, wife, and mom, with a new outlook on living life with her family to the fullest, right now. There are many more words to convey our appreciation, but we love you all and will miss you always. Thank you so much for your selfless service to FBCN.
