COACHING

Everything we do is built on the belief that no church planter should plant alone. Pray that our planter coaches will be committed to their own spiritual health and development. Pray that our planters will experience coaching that is life-giving and transformational. Pray that planter coaching will grow among language groups and church planting spouses. And finally, pray for over 40 coaching leaders throughout North America who are committed to deliver great coaching to every church planter in their specific regions.

If you haven't registered for VBS yet, we encourage you to stop by the table in the foyer either before church or after church. Thanks and see you Monday!
