You may stream the service [from our website](#) or [YouTube](#), or even watch it later at home. We ask that for your health and the health of others, if you're not feeling well please wear a mask and keep a safe distance from others if you attend the service here at the church. Please pray that God will heal those that are feeling ill at this time.

Play an instrument, or share a fond memory of a Christian event or conference. You may also share photos or videos, or stuffed animals. Share a quilt that means something special.
