## NEW YORK, NY

“Our New York City metro has experienced, over the last couple of years, a topsy-turvy season of shutdowns, re-openings and then COVID variants, which have added another level of instability for our church plants. Our planter pastors and church plant team members are weary and ‘hard pressed on every side, but not crushed; perplexed, but not in despair’ (2 Corinthians 4:8). Please pray for revived hearts and resolved perseverance, knowing that our God is both infinitely able and stable to meet these needs.” ~Won Kwak, New York Send City Missionary
