Happy New Year!

For many years 20/20 has been a news program on T.V. Now, it is a date on our calendar! Ask any optometrist, “20/20” means perfect vision! I have been thinking about God’s perfect vision for our church. I believe that it has already been revealed in the Scripture. The challenge that we face is, are we willing to be obedient to God’s vision?

During the month of January and for two weeks into February we will focus on the topic; “**A 2020 Vision in 3-D.**” The three D’s stand for “Developing Devoted Disciples.” Acts chapter two will be our foundational text. We will explore the five areas of Church life that we all need to be devoted to, namely; “Worship, Fellowship, Discipleship, Ministry, and Mission.”

In conjunction with this series on Sunday mornings, we will review the Purpose Driven Life book and 40 days of Purpose materials on Sunday evenings and Wednesday nights. On the evening of Jan.5th, we will begin with a video overview. On regular Sunday evenings, I will be teaching a 40 Days of Purpose lesson. On Wednesday evenings, we will watch a 40 Days of Purpose video teaching from Rick Warren and discuss it together. If you have a Purpose Driven Life book, please read it during the month of January and a few days into February. Just read one chapter a day, like a devotional book. If you do not have a book, please ask me for one. I have ten extra books. I would be glad to give you one.

At the end of the month, January 29th to be exact, we will be discussing the proposed Constitutional changes that were introduced in late October. These changes would bring us back into a committee led system and out of an elder led system. We would be grateful for your prayerful input and participation.

May God bless us all!

In His Loving Service,

Pastor Tim
