Beginning March 17th ages 2-PreK will participate in countdown to Easter. Each day leading up to April 2nd, we will read a Bible verse, open a Resurrection Egg and have an activity related to Jesus. Our center's main focus is having Jesus in our classrooms. Mark 16:15 says "and he said to them, go into all the world and proclaim the gospel to the whole nation". The center could use many donations. Some of our classrooms could use play kitchens, books blocks; etc. Please see your child's teacher for specific needs in their room. The center welcomes any monetary donations for needs at the facility. We thank you for allowing us to care for your children.
