

Year of Extraordinary Serving! Y.E.S.

INTRODUCTION

We know a lot of the women loved the secret sister program. This upcoming year we are doing things differently so all can participate even if they choose to stay home for now. You won't be encouraging just one sister, but you'll have the opportunity to encourage many!

The best way to fight feelings of anxiety and worry is to think of others. During the past year of social distancing the need to help others was still very important. Our hope for this upcoming year is that this program would offer a monthly reminder to reflect on how we live our lives among those around us.

Monthly Challenge

You can find a devotional or Bible verse on the women's website/Facebook page. Over the month we ask that you reflect on the verse. There are prayer cards you can print and use if you would like. The last challenge is an action step that is practical and achievable on your own time. God created each of us differently. We want each of you to take ownership in how you serve and make it personal to you.

Even though our lives can be full and sometimes overflowing, we pray that God will move you in ways that will deepen your relationship with Him and the people He has placed in your life.

JANUARY

Reconnecting Friendships

Let us not become weary in doing good, for at the proper time we will reap a harvest if we do not give up. Therefore, as we have the opportunity, let us do *good to all* people, especially to those who belong to the family of believers.

Galatians 6:9-10

Action

This month's Act of service is to consider a friend that you haven't talked to or seen in a while. We encourage you to find a way to reconnect that friendship. You can send a card or letter. Call them or text.
