

HOW GRACE-FULL ARE YOU?

I don't make others earn my respect, I give it to them first

Never Rarely Sometimes Often Very Often

I stay clear of criticizing and fault-finding

Never Rarely Sometimes Often Very Often

I give love, respect and appreciation generously

Never Rarely Sometimes Often Very Often

I work to understand people rather instead of passing judgment

Never Rarely Sometimes Often Very Often

*I am inclined to give others the benefit of the doubt,
even when they do or say things I don't agree with*

Never Rarely Sometimes Often Very Often

I always try to think the best of people
