

## **UPSIDE-DOWN FAITH**

MATTHEW 8:5-13

### *FURTHER STUDY QUESTIONS*

- Let's do a sort of Where's Waldo with the rest of Matthew's Gospel. Can you find in the chapters that follow today's passage, examples of Jesus' qualitatively different kind of authority? (A good bible study goal this week would be to go through and highlight in your bible or write down in your notebook an example from each chapter)
  
- What are some ways that you can live out this "upside down" faith in our world today?
