

# Candidate Profiles

## *2021 Elected Officers*

### ELDER CANDIDATE

#### **Matt Brown**

**Spouse:** Christi

**Children:** Kaitlyn, Brooke

**Member for:** 8 years

**Employment:** RiskIQ (Senior Manager of Security Operations and Engineering)

#### **How do you desire God to use you as an elder?**

My chief desire is to be more conformed to his image through Christ. As that occurs, he would help me attend to the needs of the congregation and to the world. One of the ways God has empowered me to minister to others is through the teaching of his Word. Like the apostle John, I have no greater joy than to hear that my own family and members of the church are “walking in truth.” One of my prayers is to see others become enthusiastically dedicated to the study of his Word and applying that knowledge to daily needs. I am humbled at this opportunity and pray God will use me as his vessel for his glory.

### MISSIONS COMMITTEE CANDIDATE

#### **John Brannon**

**Spouse:** Jennifer

**Children:** Katelyn, Luke, Emily

**Member for:** 8 years

**Employment:** Spirit AeroSystems Engineer

#### **How do you desire God to use you as a member of the missions committee?**

Serving on the missions committee gives me a way to actively participate in Jesus’ command to take the gospel to the whole earth. It gives the opportunity to directly encourage and help meet the needs of our church’s mission partners, as well as identify new ways/partners for our church to be involved in the Great Commission. I have previously served on the committee and look forward to serving again.
