Prayer Requests

Our Missions Partners

- J works for an English education company in the Middle East. Pray for his team to be able to connect with those around them and for their language learning to give them opportunities to go deep with their friends in a way that they wouldn't be able to in English. Pray for him currently that his time in the United States would be restful and for clarity on when he would be able to return to the Middle East.
- Voice of the Truth is a ministry to Arabs in the US and abroad. Much of their work involves providing Christian literature and resources to Arab believers. Currently they are in the process of printing the whole Arabic Bible in soft cover with large font. Pray for them as they continue to minister to this group of people through their various printed resources and radio programs.
- Pray for L as she seeks to leave for Southwest Asia long term in January and begin language classes in February. Praise the Lord for an unexpected opportunity to make a short visit there this fall and that all of her startup expenses have been met. Pray the she can effectively minister to Southwest Asian families here locally, that her monthly support needs would be met, and for her moving preparations.
- *Praying for People Groups:* The Bosniaks in Bosnia-Herzegovina are 95% Muslim. Ask God to encourage the few known Bosnian believers as well as the missions agencies that are currently working among these people. Pray for the Holy Spirit to soften the hearts of Bosnians toward Christians so that they will be receptive to the gospel.
