## Prayer Requests

### Our Missions Partners

- S & J serve in SE Asia where they desire to see a local body of believers come together for worship and have a Bible in the local language. Pray for the people there to be convicted of their sin and to hunger and thirst for righteousness found only through repentance and belief. Pray for good success of their virgin coconut oil business; that it would help their identity in the community.
- S & A work with a team in a language school in South Asia whose goal is to plant healthy, reproducing churches in their city. Pray the church plant will grow and become more and more independent and that the new believers will become leaders. Also, S & A need to begin the US visa process. Pray they would have a way to leave and return to their country and would be able to renew their business documents in time.
- Terry Coltrain serves as chaplain at McAdams Academy and provides program and administrative support to USD 259 Young Life clubs. Ask the Lord to provide a durable building where McAdams can meet, and wisdom for Young Life leadership in adapting to COVID mitigations. Pray for the Lord to continue to soften the hearts of students and open their eyes to see their need for Jesus as Savior.
- *Praying for People Groups:* The Hausa people in Niger are 94% Muslim. Ask the Lord to send long-term laborers to live among the Hausa and share the love of Christ with them. Ask God to strengthen, encourage, and protect the small number of Hausa who have become followers of Jesus. Pray that traditional Muslim culture will soften, creating open doors for the gospel.
