Our Mission: *We exist to make disciples of Jesus Christ who glorify God as the grace of the gospel grows deep in God's people and goes wide to all peoples.*

Prayer Requests

Our Missions Partners

- The TUMI India site was started by Mike and Mary Dicke and is currently administered by Philemon. We can celebrate the several classes who have graduated from this TUMI site and how these men and women are now serving in their local churches to further the kingdom of God.
- The Bridge Church, pastored by Brandon Redic, exists to develop fully-devoted followers of Christ in a multi-ethnic context. Pray for God's design—every nation and tribe speaking all languages while worshipping our Creator—to be reflected in their body of believers. Pray for Brandon and those on staff to have wisdom and God's guidance to lead their church well.
- Pray for L as she is settling in to her work in Southwest Asia and beginning language classes. Praise the Lord for providing long-term housing for her so quickly after arriving. Pray for wisdom, courage, and boldness for L in navigating confusing cultural issues; that she would represent herself as a God-fearing person and woman of integrity. And pray she'll find a language tutor she can meet with regularly.
- *Praying for People Groups:* The Sylheti people-group from Bangladesh who live in the United Kingdom are 99% Muslim. Pray for effectiveness of the Jesus Film Project among the Sylhetti Bengali. Ask the Lord to raise up Christians in the United Kingdom who will share the love of Christ with them. And pray that God will give Sylhetti Bengali believers boldness to share Christ with their own people.
