Prayer Requests

Our Missions Partners

- Josh and Jenn are medical doctors at a hospital in North Africa. Pray for God to provide staff for open positions that need to be filled at the hospital. As Jenn works with moms at the hospital, pray that she will have opportunities to minister to them with literacy skills and gospel truth.
- Kathleen and Benedict are at the Village of Hope school in Zambia serving orphans. They teach over six hundred students, house over one hundred children, and provide over eleven hundred meals each school day. There is a serious food shortage in the area so they also partner with others to teach young people to farm. Pray that God gives opportunity for gospel conversations to happen through these practical outreaches.
- John and Courtney Anderson, with Navigators, seek to advance the gospel among college students by making disciples who make disciples. Pray that God will give wisdom as they continue campus ministry in Omaha, NE this semester. Pray that students would have interest in learning about and reading the Bible.
- *Praying for People Groups:* The Japanese are comprised mainly of Buddhists and Shintoists. Ask God to soften the hearts of the Japanese toward Christians and make them receptive to the gospel. Pray that Japanese Christians will have opportunities to share Jesus with their families and friends, and that God would raise up strong local churches among them.
