Prayer Requests

Our Missions Partners

- Trinity Video Seminary partners with Trinity Evangelical Divinity School in Chicago to train pastors and church leaders through video curriculum. These pastors serve throughout India, China, and Central Asia. Pray that God will keep transmissions and broadcasting secure, and encourage those laboring for the gospel in these regions.
- Darwin and Karen Stoesz are based in the US, serving global missionaries with SEND International. Pray for Darwin as he supports the organization's international operations and encourages missionaries. Pray that God will encourage him and Karen as they serve in new ways after living in Japan for nineteen years.
- Sam and Sharon work to equip, encourage, and train frontline nationals primarily in South Asia, who are working to multiply churches, and addressing issues of at-risk women and children. Pray for an event in May that will raise prayer and financial support for the ministry. Pray that God will increase awareness and provide support to women and children in difficult circumstances.
- Praying for People Groups:* The Northern Uzbeks in Uzbekistan are 86% Muslim. Many of the younger generation are either atheists or non-religious. Ask God to send laborers to live among and share Christ with them. Pray that new Uzbek Christians would commit to a local fellowship where they can grow. Pray that God will soften the hearts of Uzbek Muslims towards Christians.
