

OUR CIRCLES

The Women of the Church (WOC) at First Presbyterian Church currently support 16 Circles. These groups of women meet the second week of the month from September through May for Bible study, fellowship, and service. Each Circle has its own personality, but the common denominator is love for our Lord and caring for one another.

Circles provide an opportunity to grow in the Word, and this year we are studying the Book of Daniel. Each Circle has chosen a project to provide support and care to a Christian ministry, either local or abroad. They also provide opportunities to support our Church missionaries and to enjoy fellowship and spiritual growth through special events such as luncheons and the Fall Women's Conference.

We invite you to join a Circle and be part of our fellowship. You can join any time during the year. Meeting times and days are listed below to help you find a Circle that fits your needs and availability. Meeting locations are published in First Things the first week of each month.

If you have any questions about our Circles or need help deciding which Circle to join, please contact Emily Woodard, Director of Women's Ministry at 803-799-9062 or Libbey Lee Castles, General Circle Chair at 803-331-0074 or by email at: spotsllc@sc.rr.com. The Circle schedule is as follows:
