

PRACTICAL GRACE, PART 2
ALL OF LIFE AS WORSHIP
Romans 12:1-2

*Worship is not just a Sunday song we sing to God
but a daily life we live to God.*

Build your life on the MERCIES of God—this leads to *grateful* worship.

The mercies of God in Christ are the foundation of our lives as believers.

The mercies of God in Christ shatter our merit mentality and sense of entitlement.

The mercies of God in Christ prepare us to be conduits of those mercies to the world.

Surrender your life to the WAYS of God—this leads to *authentic* worship.

To be a living sacrifice means using our bodies in ways that honor God.

To be a living sacrifice means subordinating our agenda to the agenda of God.

To be a living sacrifice means learning to delight in the will of God.
