

I am pleased to announce that our incoming Pastor will be Rev. Bill Curtin and he will be coming to us from Monroeville where he has been serving as the Senior Pastor since 2017. Bill began serving as a Pastor in 1989 and has served as Senior Pastor in Mobile, Semmes, and Moundville. Bill was not expecting to be moved and had not requested a move, but he and his wife Stephanie are excited to be coming to our church. His congregation is also getting notified about the upcoming move this morning.

Bill has experience working with Contemporary worship, working with local agencies to build Community, building multi cultural relationships in worship. He has served on local boards and been a member of local organizations in each of his placements. In fact while in Moundville he even worked with the volunteer fire Department.

Like Nolan, he will be leaving a congregation that loves and supports him. Like us they are sad but understand that God will bring His Grace upon us all as we go through this transition period. It was brought to my attention that many moves are being made this season so our prayers should include the Methodist Church of Alabama.

As this process began at the Bishop level, our District Superintendent Rev. Jean Tippett has met with and taken questions, comments, and requests from our Council. She has sought as much information as we could give her to help with the selection. I have had email and phone contact with her on several occasions as she and the Bishop sought to help place the right person in our church. I feel like we have had their full support in the selection of Bill to be our Pastor. I hope we as a Congregation can welcome him to our family and offer our support as he gets to know us.
