Susan Secoy

Nursery Coordinator

shunters@sbcglobal.net

Hello! I'm Susan Secoy, and I'm your new Nursery Coordinator. I was born and raised in Ohio and got my teaching degree at Ohio State. Then I received my master's in educational administration from Penn State. I also took courses at U. Va. concentrating on gifted education. I taught in Columbus, Ohio, State College, Pennsylvania, and Charlottesville, Virginia in grades 1 through 5 for 38 years.

During the summer between my junior and senior years in college, I met and dated John Reiser when we both worked at a taffy shop in Estes Park, Colorado, but we went our separate ways. During the next 40 years I tried to find him several times. Once the computer was available, I found him through Arizona State Find a Friend. They sent him my information, and the rest is history! I retired and moved to Carson in 2003. Since John has returned to the Presbyterian church and I have become a member, I have loved every moment! I have met many members that mean so much to me! I've joined several Bible study groups, been a Deacon, and am looking forward to a new role in my church life!
