Other News

- **Meeting Regarding Potential FRC Preaching Station:**
Several months ago, we surveyed the congregation regarding a potential preaching station, promising to act on the results. Our congregation is large enough to consider an additional location, and the results of the survey indicated most interest to be southwest of our current building.

The congregation has changed with families joining and others leaving since the survey was taken. The consistory desires to move forward with a prospective daughter church plant and needs to determine the level of interest and commitment among our current members to know how to proceed.

We would like to ask anyone interested to come to a meeting on **Wednesday, March 31** after our prayer meeting. The meeting will begin at 8:15 PM. If you are interested, but are unable to attend, please contact the consistory clerk, Henk Kleyn, prior to the meeting.
