

Family Worship Sermon

Streaming video in your home

Computer and Smart Phone

Go to frontlinechurch.com/family-worship and click play on the video. You'll be able to watch it right from your device.

Streaming Devices Using the Vimeo App

Roku, Apple TV, or Smart TV

- Go to the App or Channel Store
- Download/Add the free Vimeo app onto your TV
- Search for the person or user named Frontline Church and choose the appropriate video.

NOTE: Apple TV only supports Vimeo on 4th/5th generation devices or newer.

Using Your Computer

- Connect an HDMI cable from your computer to your TV
- Go to frontlinechurch.com/family-worship and click play on the video
- Follow your computer's directions to mirror or display on a second screen

Air Play and Casting

Some network-connected televisions can simply have the content sent to it via the AirPlay icon in Apple devices, or the Cast icon on Android devices.

We encourage you to set up and practice before Sunday to help eliminate any issues as you gather together to worship with your family.

Your device may present the information a little different, this guide should help get you close.
