“Yesterday, Today and Forever”

Everlasting God, The years go by but You're unchanging
In this fragile world, You are the only firm foundation
Always loving always true, Always merciful and good, So good

Yesterday today and forever, You are the same You never change
Yesterday today and forever, You are faithful and we will trust in You
We will trust in You

Uncreated One, You have no end and no beginning
Earthly powers fade, But there is no end to Your kingdom
Always loving always true, Always merciful and good, So good

Yesterday today and forever, You are the same You never change
Yesterday today and forever, You are faithful and we will trust in You
We will trust in You, We will trust in You in You

Yesterday today and forever, You are the same You never change
Yesterday today and forever, You are faithful and we will trust in You
We will trust in You faithful God
