The Annual Recital

Throughout the year students put in a lot of time, effort and finances towards their lessons.

Parents, especially, want to see the progress their children have made. For this reason, the instructors provide an opportunity for the students to show off their skills by hosting the **ANNUAL SPRING RECITAL**.

It is an expectation of each student to participate in this wonderful event where the students can also hear their peers perform, and then celebrate afterwards with a beautiful reception provided by the instructors and Fine Arts School of Central Florida.
