SECOND ANNUAL GATHERING TO FEATURE
TOP SPEAKERS ADDRESSING
'A BIBLICAL RESPONSE TO LGBTQ+ TYRANNY'**

OKLAHOMA CITY, OK -- First Stone Ministries is pleased to announce that registration is open for GOD'S VOICE Conference 2020, which will address the timely and urgent message of "*A Biblical Response to LGBTQ+ Tyranny*."

The second annual event will take place April 17 and 18 at Fairview Baptist Church, 1230 N. Sooner Road, Edmond, Okla. Early-bird registration is only \$85 through March 1st.

GOD'S VOICE Conference launched in 2019 to bring biblical clarity to the confusion surrounding the issues of "LGBTQ+ Christianity" and the errors injected into conservative church circles by the "Revoice" movement.

This year, the gathering seeks to equip Christians to face radical LGBTQ+ activists' growing threats to biblical morality, biological reality and the God-given rights to religious freedom and free speech.

From the religious freedom-crushing Equality Act to unconstitutional talk-therapy bans, from shocking Drag Queen Story Hours to indoctrinated children seeking surgical "gender transitions," from radical LGBTQ+ activist pressure at Christian colleges to Big Tech censorship, Christians are facing unprecedented pressure to conform to the demands of this tyrannical movement.

GOD'S VOICE Conference 2020 will feature an unprecedented lineup of top Christian leaders, pastors, pro-family activists and medical and therapeutic experts to inform God's people about what the LGBTQ+ movement is doing, where it's headed and how Christians, their churches and their families can stand firm and fight back amid looming cultural and legal battles.

Organizer and conference speaker Stephen Black, executive director of First Stone Ministries, said, "Christians must awaken to the growing cultural and legal threats posed

by the LGBTQ+ movement if the church is to be prepared to stand against its tyranny and be victorious.

"GOD'S VOICE Conference 2020 will equip pastors, ministry leaders and individual believers to be courageous in compassion without any compromise, because true compassion never compromises on GOD'S VOICE -- the Word of God -- when it comes to sexual morality."

Additional GOD'S VOICE Conference 2020 speakers include:

- **Dr. Everett Piper**, best-selling author and former president of Oklahoma Wesleyan University
- **Greg Burt**, Director of Capitol Engagement at the California Family Council
- **Dr. Quentin L. Van Meter**, president of the American College of Pediatricians, pediatric endocrinologist and adjunct associate professor of Pediatrics at both the Emory University School of Medicine and the Morehouse College of Medicine
