

Prayer Hotline for Medical Workers

Pastors praying with those serving on the frontlines against the pandemic.

Call (703) 722-8130

www.gpcweb.org/medpray

This is a way to enable pastors to join in prayer with the medical workers serving us.

Call anytime. Call alone or in a group.

If one of our pastors is available, you will be connected right away. Otherwise leave a message with your name, number and a good time that we can reach you.

This hotline is a simple way to pray with a pastor. There is no fee, no questions, no need to explain anything. You do not need to give your name. There is only a pastor on the other end of a phone line eager to listen to you and pray with you.

If you would like to help spread the word about this service, you can go to gpcweb.org/medpray to download and print this brochure that you can post at your workplace. Make sure you are compliant with your workplace policies when posting materials.
