Ecclesiastes 8:1-17

1. Have you ever been treated unfairly by someone in authority?
  - If so, how did you respond?
  
  - What would God's wisdom look like in dealing with a situation like that?
  
2. Do you think that God gives people what they deserve whether good or bad in this life?
  - When that doesn't seem to happen how do you respond?
  
  - How does this passage challenge that idea?
  
3. How much do you value the revelation God has given you in the Bible that tells you what He's doing and what the meaning of life is all about?
  - How would your valuing it be seen in your daily life?
