

Dear members of the Grace Fellowship community,

We want to provide you with updates as we closely monitor the Coronavirus (COVID-19) as it impacts our church and community. We are not responding in a spirit of fear, but out of love for others, for our high-risk church family, and the common good of our community.

As a leadership team, we have decided to follow the lead of our local and state health officials. Though Governor Dewine has not placed a ban on religious meetings, we highly value our responsibility to love others. In this case, loving others means we must protect our at-risk church family members from exposure to the coronavirus (COVID-19).

All church services, events, and gatherings are canceled for this week.

Cancellations include:

- All Sunday AM and PM Activities (March 15, 2020)
- Monday Love and Respect Study (March 16, 2020)
- Wednesday Morning Women's Bible Study (March 18, 2020)
- Wednesday Evening When God's People Pray (March 18, 2020)
- Saturday Men's Prayer Breakfast (March 21, 2020)

Question: Will be having service the following Sunday, March 22, 2020?

Answer: There is no way to determine when we will resume meetings and will provide updates on all of our communication channels. Please stay tuned to all social media, email communication, and the church website.

HELPFUL LINKS DURING THIS TIME

Online Giving

Online giving is available at any time through PayPal Using Your Debit Card, Credit Card, or PayPal account.

Please visit <https://www.gracefcwesterville.org/giving> to give now.

You can mail your donations to the church or drop it off during regular business office hours, as the church office will remain open.

Listen to Sermons Online

Due to our current limitations in areas of social media and live streaming.

Each previous Sunday morning sermon is available online with sermon questions.

You can listen to them here: <https://www.gracefcwesterville.org/sermons>

We encourage you to spend this time in reviewing previous messages and questions and how they can apply to your daily lives.

The Ultimate Hope

As Christians, our salvation and eternity rests in Jesus Christ alone. We can be assured that God alone is our Refuge and Strength. He is our Guardian and Protector. He is sovereign over all and in all—even a virus we may not fully know about or understand. We serve a God who instructs

us to not live in a spirit of fear. He is good; He is faithful; He is at work all around us. We can rest in His promises knowing He will never leave us for forsake us. Let's continue to be a church that puts our faith and hope in God alone.

In Christ,

Korney M. Petrenko
Pastor
