Elder Nominees (to be voted on April 28)

Mike Kuss: I grew up in a Lutheran church and accepted Jesus Christ as my savior during high school at a Youth for Christ summer camp in Quaker Ridge CO. While at KU I began attending Ichthus campus ministry through which I became a Young Life leader. Cheryl and I were married after I moved to Wichita and we began attending GF in late '92 when we moved to Butler county. I taught middle school boys Sunday school for several years, then became involved in the deacon board caring for the building and grounds. While my daughters were in middle and high school, I helped with the youth and served as a leader on many youth missions trips, and I led adult Sunday school sessions periodically. The last 10+ years I have been engaged in the technical aspects of GF ministry in the sound/video booth. Along the way I served two terms on the elder board and also terms as financial secretary. We enjoy our small group that has met together for many years. Concerning occupation, I am the program manager for a large defense program at Spirit AeroSystems. Fun fact: If you have ever wondered why the foyer floor slopes in random spots, ask me about what happens when thermal expansion is not accounted for.

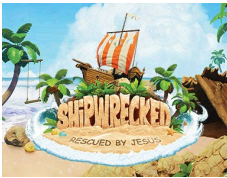

Dave Sitz has been married to Tracy for over 35 years, and they have been members of East Free/GraceFirst since 2001. They have 3 grown/ married children (and 2 grandkids, as of late 2023!)

Dave was born in Minnesota, raised in the Lutheran church, and became a Christian in his early teens.

He participates on the Worship Team and in Youth ministry at GraceFirst, and has served on the board in the past.

He is employed at Textron as an Engineering pilot. Dave's hobbies include reading about apologetics and the history of the space program
