News & Information

Baptism - For those who are trusting in Jesus, being baptized is an important step of obedience as you publicly declare your faith in Him. We have scheduled a baptism for next Sunday, October 25th. If you're interested, please speak to one of the pastors.

Baby Bottle Fundraiser - We are participating in the "Baby Bottle Fundraiser" project to benefit the Kansans for Life organization. To participate, pick up an empty baby bottle in the foyer. Take it home, use it as a reminder to pray for the unborn. Return your bottle filled with any monetary donation on October 25.

Operation Christmas Child - If you are interested in assembling a box to donate we have materials in the foyer, please help yourself. Collection week begins November 16-23. We would like to have all boxes brought into the church by Sunday November 15 so we can box them and get them to the donation center. If you miss the deadline of November 15 you can still deliver your boxes to First Church of the Nazarene at 4811 Broadway Ave. between Nov 16-23. If you have any questions please see LaRena. Thank you.

The women of Grace are still doing their drive to fill as many shoe boxes for Operation Christmas Child as they can. For October they are looking for accessories such as gloves, hats, scarf, sunglasses, etc. As always, they will accept any items you wish to bring even if they aren't want they are collecting this month. Items can be brought in to the foyer or taken to the fellowship center and put in the OCC donation box. If you have any questions, please call Sharon Dunlap. Thank you.

Missionary of the Month

Emily works with college students to make disciples of Jesus, reaching out to those who don't yet know the Lord, and walking with those who already follow Him. The campus ministry that she work with, Christian Challenge, seeks to provide a community to students that will point them to Christ in every area of their lives. This semester she is also student teaching - working with 4th graders to show them the love of Christ and share the truth of the Gospel in as many ways as possible.

Prayer requests

As expectations change often on campus and in our school district, pray that the Lord would give me flexibility and continue to use me for His glory in the midst of chaos.
