2 Samuel 2:1-11 **Slipping Up the Hill**

Opening Question

1. Can you name a time in your life when you felt that you were doing the right thing, but nothing seemed to be going well? Did it make you question if you were doing the right thing?

Study Questions

Read 2 Samuel 2:1-11

2. What was so important about city of Hebron to the Israeli people? What does that tell us about the role and purpose of David?
3. What do David's actions toward the people of Jabesh Gilead tell us about his style of leadership? How can we learn from that example?
4. What is a distinct difference between the way that David became king and the way that Ish-Bosheth became king? Do you think that would make a difference in terms of the type of leader they each could be?

Application

5. What types of leaders do you find the easiest to follow? When you have opportunities to lead, do you follow those same principles? How effective or ineffective is it in real life situations?
