<b>Average Cost of Meal</b>				<b>\$60</b>

**Instructions:**

Please have all food to the church between 5:15 and 5:30 on Sunday evening. If it is a non-refrigerated item, it may be placed in the Blender room on Sunday morning or during the week before. Dinner is at 6:35.

We anticipate between 45-50 people eating. You and your group are completely welcome to eat with us, to prep and leave, or to do whatever is most convenient for you. It is also very helpful if you can have 2-3 people stay to clean up.

If you would like to donate money towards the dinner, please make the check out to Grace Community Church and put Blender dinner in the memo line.

We typically don't provide a sugary dessert. However, if it is a special occasion, please let us know and we would love to celebrate with you.

Please remember that we are a peanut free campus. Please do not use peanuts or peanut products in any item. Please also make sure to have a non-meat option for vegetarians.

Thank you so much for providing dinner for our students. This opportunity allows our students to connect to each other and to the adults in the Blender in a very important and consistent way.
