

### Intentional Relationships

Which of these types of intentional relationships with other followers of Christ are you willing to commit to in order to offer and receive authentic friendship, encouragement, care and accountability?

- Attend a small group
- Mentoring or accountability partner
- I don't have either of these yet; contact me to help me get connected

### Serving Others

In what ways do you commit to using your God-given passions and gifts to serve others at Grace? In your community and world?

- Welcoming & connecting with others
- Serving behind the scenes     Outreach opportunities
- Teaching and/or leading groups     Caring for others
- Tech, music, or creative arts
- Working with children or youth
- Other \_\_\_\_\_

*Falling in Love with God at Grace*

Our mission at Grace is to love God, follow Christ and make a kingdom difference. To make it simple, we like to say that God wants us to *Know, Grow, and Go!*

We value these things because we unapologetically want to be fully devoted followers of Christ who take Christ's love to Tucson and the world. That's why we meet; that's why we exist.

Living out and growing our faith like that is a life-long journey, and we know we are moving forward in that journey as we fall in love with God and with His people. As Jesus said in Matthew 22:26-40, these are the two greatest commandments...

...but *how* do we *do that*?

Adult & Family Edition

At Grace, we believe that to *Know, Grow, and Go*, we need to incorporate *four commitments* into our daily lives. When all four pieces *come together* in each of our lives, it *completes* the puzzle and puts us on a trajectory to be *complete* in Him.

Falling in Love  
with God at Grace

# 1 Know

## Weekend Worship

We meet each weekend to glorify God as a community and to be challenged in ways to take one step closer to Jesus. Through these weekend worship experiences, we come to know and experience the transforming presence of God. As we come to know God more fully, we increasingly care about what and whom God cares about, and invite those we care about to experiences like this where they can come to know God too.

# 2 Grow

## Personal Time with God

As we do in any loving relationship, we spend personal quality time with God. God speaks to us primarily through the Bible; therefore, we seek to inspire, encourage, and equip everyone at Grace to read the Bible daily and to reflect upon it for meaning and direction in life. We speak to God primarily in prayer and we nurture a deeper, personal relationship with Jesus through practicing these and the other spiritual disciplines or habits mentioned in Scripture on a regular basis.

# 4 Go

## Serving Others

As followers of Jesus we are all called to serve others. Our particular calling or personal ministry is often found where our passions and God-given gifts intersect with a particular need. Because the greatest service of all is to help someone get to know and fall in love with Jesus, our personal ministry should be intentional in helping people discover ways to take steps closer to Jesus so that they too can fall in love with God!

# 3 Grow

## Intentional Relationships

Growing spiritually is not about gaining more knowledge or being religious. It is about developing an intimate, personal relationship with the living God. Spiritual growth doesn't just happen on our own, either; it requires close relationships with other followers of Jesus. It is in these relationships that we make our faith real by offering and receiving encouragement, accountability, care and authentic friendship. These relationships don't just happen. They are intentional. Our primary way of fostering this kind of community is in small groups, but others are better served through a mentoring relationship or meeting with accountability partners.

# I'm All In!

## Weekend Worship

Do you commit to going to church regularly?  
Who are some of the people in your life you commit to investing in, interceding for, and inviting to experiences where they can come to know God too?
