Fax: (520) 742-3401

WWW.GRACETUCSON.ORG

Our mission at Grace is to love God, follow Christ and make a kingdom difference. To make it simple, we like to say that God wants us to *Know, Grow, and Go!*

We think these things are important because we are sold out to becoming fully devoted followers of Christ who take Christ's love to Tucson and the world.

We get that we are on a journey to make this happen. We want to love God and live life together...

...but *how* do we *do this?*

Student's Edition

At Grace, we believe that to *Know, Grow, and Go*, we need to incorporate *four commitments* into our daily lives. When all four pieces *come together* in each of our lives, it *completes* the puzzle and puts us on a trajectory to be *complete* in *Him*.

Falling in Love  
with God at Grace

# 1 Know

## Weekend Worship

Grace Student Ministry (GSM) meets on Sunday nights to be a safe place where students can learn about, apply, and worship God as we explore the truth of the Bible. As we learn more about God, we find our lives looking more like the life of Jesus and we want to invite our friends to explore with us.

# 2 Grow

## Personal Time with God

Our relationship with Jesus isn't just a thing we do at church. It's something we do in our daily lives. We encourage students to develop spiritual habits such as spending time praying and Bible memorization so they don't graduate their faith when they graduate high school.

# 4 Go

## Serving Others

God has uniquely shaped each of us to serve other people. This most often happens where our passion and God-given gifts come together. In meeting the needs of those around we are intentional about sharing how Jesus loves people and wants them to fall in love with him.

# 3 Grow

## Intentional Relationships

We seek to love God and live life together. We don't do this on accident. This only happens when we make decisions to join together with other Jesus followers for the purposes of holding each other accountable, encouraging each other, caring for each other, and knowing each other.

## I'm All In!

### Weekend Worship

Are you committed to regularly coming to GSM?

Who are some of your classmates who you can invite, pray for, and encourage to come to GSM?
