Prayer theme for the month of June will be "**CRAVE for prayer**". The acronym **CRAVE** is for the following 5 prayer points.

COVID -

1. Please pray for the COVID pandemic in general but specifically for the countries of India and Nepal. The situation is worse in NEPAL and is slowly improving in INDIA but there is a long way to go. Pray specifically for the distribution of vaccines and oxygen concentrators in both countries and for the Indian government to handle the situation.
2. Based on the latest official counts from India, there are almost 700 children that are orphaned (have lost both parents to COVID). The unofficial count puts this number at a high rate
3. A lot of missionary families in North India are affected due to Covid. Specifically, death of the head of the household. Please pray for these families as well.

RECOVERY -

1. Please pray for the recovery of the economy in the U.S. and across the globe. Many families around the world are starving of hunger.
2. Please pray for a return to normalcy (summer travel, workers returning to work, summer jobs, graduates looking for work etc.)

ASSOCIATE PASTOR -

Please pray for the search process for the Associate Pastor. Candidates are being selected and interviewed. Please pray that God will provide good wisdom and guidance to the search committee and for the people who are interviewing the candidates.

VBS -

Pray for VBS. This year's theme is Anchored. Pray for Planning, Relationships, Activities and for Yielded Hearts. Pray that God works in the hearts of these young children and that they accept Jesus as their savior.

EVERYTHING ELSE -

1. Pray for quality of life in general (especially in the RTP area). As more people move from different parts of the country to the RTP area / Wake county, pray that we will continue to have religious freedom and that God's name is glorified.
2. Pray for the Vaccines that are in the testing phase for kids ages 5 - 11. Pray that there is no adverse reaction in the kids when this is taken and for courage and strength to the families to make a good decision regarding vaccines.

8:15 pm Closing Prayer
