

# **Inclement Weather Cancellation Policy for Green Run Baptist Church**

In the event that a snowstorm, and or other inclement weather requires a Sunday morning service, or a church sponsored event to be cancelled the following procedure will be followed to notify you of a cancellation as soon as practically possible. Generally we will notify you at least one hour prior to start time.

1. A church-wide email will be sent.
2. We will post notice on the church's phone answering system. (757) 427-5087
3. A text alert will be sent out.
4. Check website: [www.greenrunbaptistchurch.com](http://www.greenrunbaptistchurch.com)
5. Follow us on Facebook: [www.facebook.com/GreenRunBaptist](http://www.facebook.com/GreenRunBaptist)

As always during inclement weather if services "are not" cancelled use your own personal judgement to determine whether or not you should attend.

The procedures for cancelling a Sunday morning service are as follows:

1. The lead pastor or his designee in the case of his absence will contact the other elders between 7:00-7:30 am to determine road and weather conditions at their locations and come up with a consensus regarding cancellation.
2. If it is determined to cancel the service the lead pastor will make sure the above alerts are sent.

The procedure for cancelling other church sponsored events are as follows:

1. The person heading up the event will contact the lead pastor to determine if event should be cancelled.
2. If it is determined to cancel the event, the lead pastor will make sure the above alerts are sent.

As always during inclement weather if services "are not" cancelled use your own personal judgement to determine whether or not you should attend.
