Psalm 63

“Better Than Life”

Rev. Karl McCallister

1. Where was David when he penned these words?
2. Why was David seeking his God?
3. What might distract us from seeking our God?
4. What motivated David's praise?
5. What character qualities of God are highlighted in this Psalm?
6. Where have you seen God display those character qualities?
7. Take some time right now to reflect on God's character and to praise Him for who He is.
