Psalm 67

“Let All the Peoples Praise You”

Rev. Karl McCallister

1. What is the psalmist requesting of God in this Psalm?
2. What does the grace of God, His blessing, and His favor actually look like in our lives?
3. How does the psalmist describe the blessing of God?
4. For what purpose does the psalmist request God's blessing?
5. What is our response to the blessing of God?
6. The psalmist repeatedly calls us to praise God. Why wouldn't we praise God? What might distract us from praising our God?
7. Write out as many of God's blessings in your life that you can think of and spend some time praising Him for His blessings.
