Hebrews 10 : 26-39

“Enduring Faith”

Rev. Karl McCallister

1. Why is there no longer a sacrifice for sins if we go on sinning deliberately?
2. What should sinners expect without a sacrifice for sins?
3. Why is it a fearful thing to fall into the hands of the living God?
4. For what reasons does Hebrews tell us about sin and judgment?
5. What should we recall?
6. What is the role of endurance in our lives?
7. Considering the times, what will keep us from shrinking back?
