Hebrews 10:19-25

“To Have and To Hold”

Rev. Karl McCallister

1. To what does the “therefore” in verse 19 refer?
2. What do we have according to these verses?
3. Because of what we have, Hebrews calls us to act. What do these verses call us to do?
4. How do we draw near?
5. What is the confession that we are called to hold fast?
6. How can we stir up one another to love and good works?
7. What Day is drawing near? And, what effect does that Day have on our lives today?
