Hebrews 12: 18-29

“A Consuming Fire”

Rev. Karl McCallister

1. There are two different mountains described in Hebrews 12:18-24. What are the two mountains and what do they represent?
2. Describe the settings on each of the two mountains. How are they similar? How are they different?
3. Is there a difference between the God of the two different mountains?
4. To which mountain do you come and why?
5. Who is speaking and how do we not refuse Him?
6. For what are we called to be grateful?
7. What kingdom cannot be shaken? And, why can't it be shaken?
